STAT

1. CIB advised on 3 December 1982 that they received a cable from NSA passing the clearances on [redacted] on 1 December 1982. As the IC Staff was listed as an addressee on the cable, they did not call us to inform us of the content of the message. As of yet, our copy of the cable has not been received.

STAT

2. The message dated 291706 Z November, designated [redacted] certified through 1 February 1983 the following special accesses for

STAT

STAT

3. As the message from NSA gave CIA the authority to pass clearances on [redacted] behalf, please advise me of the areas to which you wish to have him permanently certified. I can have this done through CIB. I mention this only because [redacted] has mentioned it to me as something he would like to have accomplished.

4. In another vein, I am still waiting to hear from Headquarters, Office of Security, as to whether or not a polygraph will be necessary for [redacted]. In all likelihood, they will view him as a Liaison Officer from NSA and will not require him to be polygraphed. However, that issue is still open and I will have to await their decision before telling you officially his clearance status.

STAT

5. If you have any further questions relative to this matter, please call me on [redacted]
